Just Judi's Fig Conserve, Just Judi's Fig Preserves, and Just Judi's Fig Pickels!

The fig preserves and conserves are selling by the case! I only made a few batches of the preserves, but cases and cases of the conserve! Fig Conserve is incredible on fish, poultry, meat, ice cream, and bread! It is awesome served hot or cold! Trust me - and those who have bought by the case - it is delectable! Figs - but not totally sweet. It has a citrus and nutty flavor that is to die for on pork, beef, or even fish! Fig Pickles actually are more like spiced figs. They would be ideal on a plate at Thanksgiving, Christmas, Easter or any special occasion.

Just Judi's Plum Conserve and Just Judi's Plum Preserves

Same as above! Good on everything! The conserve is more tart than sweet! The preserves are delectable!

Just Judi's Pasta Medley

Just Judi's Pasta Sauce

(Pasta Medley has other vegetables such as squash, eggplant, and corn in it. Pasta sauce is basically just tomatoes, onions, garlic, and fresh herbs. I do not spice things up, at all. I leave that up to you! Just a fresh, garden, all natural taste! As I type this, it is December 6, and I am still hauling in tomatoes! Truly amazing!)

Just Judi's Chili Sauce and Just Judi's Yellow Salsa!

Prize winning! Both! The Chili Sauce is excellent on any kind of veggies, poultry, or fish! Not sweet or hot at all! The Yellow Salsa is to die for! It has a "fresh from the garden" taste and is made from beautiful yellow tomatoes and peppers. (as well as other delicious herbs and spices from my garden!)

Just Judi's Mediterranean Eggplant with Roasted Red Peppers

Where do I start with this one! Oh! Try it with omlettes in the morning! Try it with beef, poultry, and pork! Try it as a side with veggies, or best of all - as a dip!

Just Judi's Banana Pepper Mustard

This goes VERY far! Truly extraordinary on sandwiches, mixed with veggies, or on top of /along side of beef, pork, poultry, or anything grilled!

This one is a winner - for sure! I made HOT and regular!
